Read Me First

The insurer draws your attention to some important features of your travel insurance policy. If you would like more information, please contact your issuing broker or agent, particularly if you feel the insurance may not meet your needs.

Health Conditions

Your policy excludes pre-existing medical conditions known to you concerning the health of you, your relatives, your travelling companions, business partners, or anyone whose ill health would force you to cancel or cut short your trip. Please read the definition of a pre-existing medical condition overleaf.

Reciprocal Health Agreement

Travellers to European Union countries should carry a European Health Insurance Card (EHIC) available from The Department of Health. This will entitle them to benefit from the reciprocal health agreements which exist between certain European Countries. In the event of a claim being accepted for medical expenses which has been reduced by the use of a European Health Insurance Card, or Private Health Insurance, the deduction of the excess under Section B will not apply.

Property Claims

These claims are paid based on the value of goods at the time you lose them and not on a "new for old" or replacement cost basis. An amount for wear, tear and depreciation will be deducted. Certain items of personal property are not covered. Police reports are required for all losses involving theft and other losses require alternative appropriate reports, such as an Airline Property Irregularity Report, a Hotel Managers report, etc.

Policy Document

You should read this document carefully. It gives you full details of what is and is not covered and the conditions of the cover. Cover will vary from policy to policy and insurer to insurer.

Conditions, Exclusions and Warranties

Conditions and exclusions will apply to individual sections of your policy, while general exclusions and conditions will apply to the whole of your policy. It is a condition of this policy that all material facts must be disclosed at the time of taking out this insurance. Failure to do so may result in non-liability for claims.

You will only be covered under the personal accident and medical expenses sections of this policy when you are participating in any of the Category 2 - 4 hazardous sports and leisure activities listed, if you have advised your issuing agent at the time you bought this policy, paid the appropriate additional premium before your trip commenced and the cover is shown on your certificate.

There are specific limits under the personal effects and Baggage Section for: single items; valuables; items for which an original receipt, proof of purchase or an insurance valuation (obtained prior to loss) is not supplied.

Policy Excesses

Under most sections of the policy, claims will be subject to an excess. The excess will be applied per person, per section and per incident under which a claim is made. This means that you will be responsible for the first part of the claim. The amount you have to pay is the excess.
