

Go Travel Insurance celebrate their 10th Birthday...

...with 2 week European policies now more than £2 cheaper than all those years ago !

2,500,000 customers can't be wrong, that's the number of people who have trusted Go Travel Insurance to protect them on their holidays since their inception 10 years ago, when a 2 week European single trip was £15.95.

Founded by Andy Taylor in 1998, Go Travel Insurance started out with just a team of three. Now, with 100 employees, Go Travel Insurance is an established online and call centre travel insurance provider.

Andy sold the business to Christian Young in 2004, with Andy remaining on the board of directors as Underwriting & Business Development Director.
